About Peter:

Peter is a modern Western Shaman who has awakened many of the powers usually believed to be the exclusive domain of the Eastern Masters and traditional Shamans and Medicine Persons. He uses these abilities to assist people with physical, emotional, psychic, or spiritual pain, as well as for the healing of the Earth and nature kingdoms. The many miracles and epiphanies in his life are recorded in his book, *Soul on Fire* (Hay House 2007). Peter and his partner, Astrid, who is an accomplished healer and Shaman herself, work together in many areas of their practice.
