

## *Shamanic Training with Peter Calhoun* *On-Line Apprenticeship Course*

Peter's long-awaited, year-long, 'on-line' apprenticeship course in **Shamanic Training** is now available. You may enroll now by e-mailing the registration form and statement of intent to [info@petercalhoun.com](mailto:info@petercalhoun.com) and sending your payment via 'snail mail' to Peter Calhoun, 120 White Oak Lane, Townsend, Tennessee, 37882. Checks or money orders should be made out to Peter Calhoun. Upon receipt of your payment, your first lessons will be e-mailed to you on the first of the next month. The cost of the program is \$595 for 24 on-line lessons.

The course is divided into 24 lessons with exercises that are e-mailed to you by the tenth of each month. Its focus will be on those practices that Peter and Astrid, an accomplished Shaman and healer herself, have found can work for anyone, anywhere, any time – practices that have helped them get where they are.

Topics will include: The Shaman as Mediator between the worlds; seeing without eyes, hearing without ears, and knowing without thought; personal empowerment; signs, omens, and synchronicities; reading the invisible landscape; journeying; sacred sites and power spots; ceremonial work; dance of the directions; the nature elementals; shamanic healing; removing 'imprints' and negative energetic threads; connecting with the spiritual powers of the nature world; the three 'attentions'; soul retrieval; the three worlds of the Shaman; influencing the outcome of situations and events; manifesting abundance on all levels; removing negativity (bad medicine) from land, a dwelling place, or even a community; and extraordinary ways to bring healing to the earth.

For those interested in more in-depth studies, a week long retreat will be available in April, and possibly in August, 2009. (See web site for dates.)

Canadian and foreign residents, please send cashiers' checks or money orders in US dollars only.
