The Sacred Path of Shamanic Healing

Oct. 20th-24th, 2010

(2:00 P.M., Wed., Oct. 20th - Sunday, Oct. 24th)

An opportunity to spend five days with Peter Calhoun and Astrid Ganz in October, 2010, at an elegant, spacious lodge in Townsend, Tennessee, overlooking one of the most beautiful areas of the Great Smoky Mountains National Park. This residential training will focus on "hands-on" instruction, ceremonial work, and trips to nearby power spots.

In this Retreat, for the first time ever, Peter and Astrid are offering a complete training course for the aspiring healer, including professionals in the various healing modalities. This may be the most comprehensive course on healing ever offered, for the traditional shaman healers' responsibilities were not only toward members of the tribe or village, but for the healing and restoration of balance for the earth and the nature kingdom.

It will include the most advanced methods of Kundalini and Shakti healing, as well as: healing animals; distance healing in a non-local universe; assisting deceased loved ones to move on; healing "imprints" "connective cords," and "attachments;" removing "bad medicine" from buildings, homes, and land. It will also include means of effectively harmonizing weather imbalances to offset the harmful effects of droughts, excessive rainfall, and pollution.

The residential program includes the cost of lodging and meals. Transportation will be up to each participant. Cabs and rental cars are available at the Tyson-McGhee Airport near Knoxville, which is approximately 35 minutes from the lodge. Participants may pool together for cab fare or car rental. If possible, you should plan to arrive at the airport by 1:00 PM Wednesday. Please note that accommodations are semi-private (two per room) as private rooms would be prohibitive in this area. You will not receive an official confirmation (except by cancelled pre-registration check) until early August, when a letter of acceptance, including information about the program, and what to bring, will be sent out.

To enroll, mail the completed registration form with your checks or money orders made out to Peter Calhoun, 2973 Elljoy Rd., Walland, Tennessee, 37886. **(Canadian and international residents, please send a cashier's check or money order for the correct amounts in US dollars.)**
